

Financial Controllership Programme

Accounting for Performance and Decision Making Module

This module from the Financial Controllership Programme (FCP) aims to recognize and develop the role of the financial controller in supporting the strategic decision making process through the provision and impactful communication of relevant information drawing on financial and non-financial decision making techniques, key performance measures and insightful reporting. Participants will be able to develop skills and a commercial mindset, which are a necessary precondition to preparing for a successful career in business finance.

Course Director: Dr. Aidan Goddard Director, CFO and COO – Asia Pacific, L'Occitane en Provence

Aidan joined L'Occitane prior to its IPO in 2010 as Director, CFO & COO – Asia Pacific with responsibility for regional finance, supply chain, IT, human resources and commercial and legal issues. He first studied marketing followed by an MBA, LLM and PhD. He is a fellow of Chartered Institute of Management Accountants and has held senior financial and commercial roles in the U.K., Germany, Switzerland, Australia, Hong Kong and Shanghai. His experience spans a range of industries from manufacturing to media and retail.
