## Rules and Match Format

### Grouping criteria

The league panel (comprising members of the SnIG Organizing Committee) is tasked with drawing up the match list based on registered players' past performance in practices and tournaments. In the absence of any past records, the players may be invited to participate in a practice to enable the panel to make a proper judgment for grouping purpose.

There will be two divisions and each division has a maximum of 10 players.

Player's achievement in this League will be used as reference for selection of representative team members for future external competitions including the Recreation and Sports Club for HK Professional Bodies Tournament.

### League format and scoring system

#### **Format: Mixed league**

#### **Scoring system:**

##### **First Round**

1. It is a single-round league for each division.
2. Each match consists of **1** game with **15** red balls (time limit: **30**mins for each game).
3. The scoring system is as follows (per match):
  - Won 2 marks
  - Draw 1 mark
  - Lost 0 mark
4. The total number of matches of the league depends on the number of registered players.
5. To "qualify" and to be eligible for the final ranking, a player has to complete all of his/her league matches at the end of the match day. However, if a player has suffered from serious injury during the match, he/she will be deemed to lose by 0:2.
6. All scheduled matches are subject to weather inclement for re-scheduling.
7. The ranking is based on the total marks of each player for each division. The top **3** players (the "Qualified Players") who gets the highest mark in each division will be qualified to enter into the final round (the "Final Round").
  - (i) If there is a tie, the player who won the relevant matches between the players with equal marks will be ranked at a higher place.
  - (ii) In the event that para 7(i) fails to achieve the desired outcome, the ranking will be determined by the total marks won in all relevant matches.
  - (iii) In the event that para 7(ii) fails to achieve the desired outcome, the ranking will be determined by draw administered by the league panel.

  - (iii) In the event that sub-para 1c(ii) fails to achieve the desired outcome, the ranking will be determined by draw administered by the league panel.
- 1d. The top four players on the ranking will be the champion, 1st, 2nd and 3rd runner-ups respectively.

### **Rules**
