## Remarks:

1. This is a practise with NO supervision. We are gathering members together to practise. It is expected that as the practise progresses, some experienced members may walk faster and they will continue at their speed.
2. There are options for a short or a long trail. Those who have opted for the longer trail should not feel inhibited if they wish to cut short their practice at any time depending on their physical condition at the time. Safety is of paramount importance and trailers must take that into account when considering whether they should complete the entire trail for the sake of their own safety.
3. Participants must be fully prepared with proper gear. They must be physically fit to undergo the training on the activity date. If your health condition has changed since enrolment, please consult your physician to check if it is still advisable for you to participate in the training. You should also inform your convenor / the appointed on-site co-coordinator of the situation.
4. All participants must agree with the "Declaration, Assumption of Risks and Disclaimer of Liability and Personal Data" on page 3 when they enrol online.
5. All trailers are advised to eat a full breakfast before the walk.
6. Trailers are advised to bring at least 3-litre water/sports drinks, energy bar/snack/fruit, sun block lotion, hat, tracking shoes, hiking stick and an extra tee. If you have a CPA uniform, please wear it for easy identification.
7. Other information, such as mid-way supply, exit points and weather forecast will be provided after your enrolment is confirmed.
8. Bad weather arrangement: if typhoon signal no. 3 or above / Red and Black rainstorm warning is hoisted at 6:30 am, the practice will be cancelled.
