

Professional Diploma in Insolvency

The Professional Diploma in Insolvency Programme (formerly known as the "Diploma in Insolvency") was introduced by the Institute in 2000. From 2017, the programme adapts a more flexible structure, allowing participants to pace their studies depending on learning needs.

This is a part-time programme with lectures and workshops held on Saturday mornings and tutorials held on weekday evenings. All preparatory and contact hours will qualify as verifiable CPD hours for HKICPA members.

Programme Objective

This programme will provide participants with an in-depth and integrated study of the different aspects of insolvency administration, with particular emphasis on the practical issues relating to these areas and the primary principles that underpin them.

Programme Coverage

The entire programme consists of 56 contact hours, comprising Module A (28 hours) and Module B (28 hours). It is not mandatory, however, participants are recommended to complete Module A before attempting Module B.
