

Workshops for Listing on HKEX

(October to December 2019)

The Hong Kong Exchanges and Clearing (HKEX) ranked first globally in IPO fundraising five times in the past nine years and has over HK\$2tn in IPO funds raised by issuers over the past nine years. Currently, there are more than 2,100 companies listed on HKEX, including international and Mainland Chinese companies.

This series of “Workshops for Listing on HKEX” covers preliminary planning and pre-IPO considerations, IPO process, as well as the continuing obligations of a listed entity with the objective of enhancing participants’ understanding of the key aspects for listing, merger and acquisition of listed/ listing entities on the HKEX, etc. Each session will cover the key points of the listing rules, guidance letters, listing decisions, other relevant rules and regulations and examples of published prospectus and circulars. The speakers will also share their practical experience on specific topics and common application issues.

The series of workshops were featured in the A Plus magazine. Click [here](#) to read the article and learn how the workshops help you achieve your career development goals.
