

## Recent Developments in the Life of a Liquidation - Part 1

Event code: SCPD19090302

### About the topic

We have invited a panel of expert speakers to have an interactive and lively discussion over two seminars on recent cases and practical developments, in both Hong Kong and overseas, in the field of insolvency and restructuring. The seminar will begin at the outset of a liquidation such as those cases involving provisional liquidations and petitions.

The discussion will then move onto the liquidation developments, for example, regarding the appointment and recognition of insolvency practitioners (including related cross-border issues), investigations under s.286B of the Companies (Winding Up and Miscellaneous Provisions) Ordinance, protective writs and litigation funding. The seminar will finish up with recent cases and practical developments involving schemes of arrangement.
