About the programme

Different Ways of Fundraising for Listed Companies (Webinar) (EWEB20041501)

One of the benefits for a company going public is the ease of secondary fundraising. This webinar summarizes the different types of secondary fundraising including placing of shares and convertible instruments, open offer and rights issue. Topics include:

- The pros and cons of different secondary fundraising methods
- The limits brought by the amended Listing Rules effective from 3 July 2018, which targets potentially abusive practices by listed issuers including deeply discounted fund raisings, share consolidations and subdivisions
- Cases sharing where capital raisings lacked commercial rationale
- Case studies on placing, open offers and rights issues taken place in 2019 to identify the latest market trends

Conduct and Duties of Directors in Corporate Acquisitions or Disposals (Webinar) (EWEB20042901)

The Securities and Futures Commission (SFC) has issued "Statement on the Conduct and Duties of Directors when Considering Corporate Acquisitions or Disposals" on 4 July 2019, setting out a reminder to the directors of listed companies and their advisers of their statutory and legal duties when evaluating and approving corporate acquisitions and disposals. The SFC statement describes the common misconduct concerning corporate acquisitions and disposals, noting that 55% of the letters of concern issued by the SFC to over 46 listed companies in 2017 and 2018 were related to proposed corporate acquisitions or disposals of listed companies. In addition, the revised Listing Rules in relation to reverse takeovers took effect on 1 October 2019.

This webinar provides guidance to company officers on how to handle corporate acquisitions or disposals from compliance prospective. Topics include:

- Introduction of SFC's "Statement on the Conduct and Duties of Directors when Considering Corporate Acquisitions or Disposals"
- The common forms of misconduct identified by SFC in corporate acquisitions or disposals
- The limits set by the amended reverse takeover rules on corporate acquisitions and disposals

Practical Insights: Capital Restructuring (Workshop) (WSHP20040701)

This workshop focuses on analysing rationales behind various capital restructuring exercises adopted by HK-listed companies and their financial implications. The risk and return of various capital restructurings exercises will also be examined from the company perspective, illustrated with corporate cases in Greater China. Topics include:

- Various capital restructuring schemes adopted by listed companies
- The motives behind various capital restructuring plans
- Financial jargons and legal terms used in capital restructuring
- The risk and return analysis from company perspective
- Insights of the complex capital restructuring exercises and their financial implications
- Case studies

Practical Insights: Share Repurchase (Workshop) (WSHP20030401)

This workshop is specially designed to address the issue of market deficiency and share repurchase of HK-listed companies. It unveils the rationale and analyses the risk and return implications behind share repurchase. The workshop is supplemented by case studies for illustration purpose. Topics include:

- Various types of share repurchase schemes of HK-listed company
- The rationale behind various share repurchase schemes and their related implications
- The risk and return behind various share repurchase schemes
- The financial implications of HK-listed companies that adopted share repurchase schemes
- Case studies

Practical Insights: Group Restructuring (Workshop) (WSHP20031201)

Over the past decade, numerous HK-listed companies have gone through group restructuring. Many fund managers, professional investors and analysts have no clues as to the genuine rationale behind such corporate action. Also, it is quite difficult for a general investor to evaluate the investment catalysts and the risk factors behind such group restructuring. This workshop is especially designed to look into the rationale behind group restructuring of HK-listed companies. Topics include:

- Various types of group restructuring schemes adopted by HK-listed company
- The rationale behind group restructuring
- The risk and return implications behind various group restructuring schemes
- The financial implications of HK-listed company upon group restructuring
- Case studies
