China tax updates from the Institute's annual meeting with the State Taxation Administration

中國稅務最新資訊－國家稅務總局與香港會計師公會年度稅務交流會議

About the topic

Institute representatives visited the State Taxation Administration (STA) for the annual technical meeting, in September 2022, to discuss cross-border and Mainland China tax issues. Members may click [here](#) to read the notes of the September meeting as well the notes of earlier annual meetings.

At this seminar, members of the Taxation Faculty Executive Committee (TFEC)'s China Tax subgroup and from the delegation visiting the STA will explain some of key questions discussed at the meeting.

香港會計師公會於 2022 年 9 月到訪中國國家稅務總局，交流跨境及中國稅務事宜。會員可按[此處](#)參閱相關會議記錄。在這次研討會，公會的中國稅務小組委員會成員及與會成員將講解稅務官員於會議討論的重要議題。

About the speaker

Kenneth Leung

Leader of Supply Chain and Indirect Tax, KPMG China

Kenneth is the Lead Partner of KPMG China's Supply Chain and Indirect Tax Practices. He has extensive experience in advising companies on indirect taxes (VAT, customs duties, trade compliance, consumption tax and eco taxes), in particular indirect tax efficient supply chain as well as indirect tax cost and risk management. In addition, he supports companies in formulating strategies, processes and planning ideas for indirect taxes in investments and international activities, and supports companies in various industries (e.g. technology, life sciences, real estate, entertainment, financial services).

Kenneth has worked closely with the Chinese Central Government and has been a leading advisor to indirect tax decision makers. He has worked with the National People's Congress, People's Bank of China, Ministry of Finance, STA and General Customs Administration on VAT reform, and other legislative projects related to indirect taxes, such as VAT Law, Excise Tax Law, Environmental Protection Tax Law and Hainan Free Trade Port Law, etc. Besides the cooperation with the Central Government departments, he has also advised local governments, including in Shanghai and Beijing, on the introduction of VAT pilot reform and on local incentives to attract investment.

Kenneth also has extensive experience helping companies develop and implement digital solutions to manage their taxes. Technology projects he has led include building electronic invoicing platforms, designing global trade and customs management systems, and implementing bespoke indirect tax management systems for multiple jurisdictions.
