ABOUT THE E-LEARNING

Practising members are sometimes engaged to issue an Accountant's Report on a firm of solicitors, who are required to deliver an Accountant's Report to the Council of The Law Society of Hong Kong (Law Society) once in each practice year. The report is prepared with regard to the requirements of the Solicitors' Accounts Rules and Accountant's Report Rules made under the Legal Practitioners Ordinance (Cap. 159).

In this webinar, Mr. Nasir will explain solicitors' obligations with respect to their handling of clients' money and common breaches of such obligations, followed by a panel discussion that provides better insights on pitfalls in solicitors' accounts reporting. A Q&A session will also be included which provides opportunities for participants to explore the subject in more detail and ask questions.

ABOUT THE SPEAKER

Mr. Nasir is a solicitor and Notary Public. His principal areas of practice are litigation, mediation and commercial law. He has contributed to the legal profession through various Law Society committees and participated in its mentoring program.
