

## Visit to the ICAC: Navigating ethics in property development and construction sectors

(Programme code: VIH25070801)

This visit aims to raise awareness of common corruption risks in the property development and construction sectors. Through illustrations of recent landmark cases, we will highlight the essential role of accounting professionals in upholding ethical governance. We also seek to enhance understanding of Hong Kong's anti-corruption regime and garner support for the ICAC's ongoing efforts.

The event will feature a presentation by a senior ICAC officer, followed by a guided tour of the ICAC Exhibition Hall, where participants can engage in interactive digital facilities for an immersive anti-corruption experience.
