

Hybrid Forum:

HKICPA Digitalization Forum 2025

Embracing AI to Shape the Future

Programme Code:

FCPD25112801

EWEB25112802

As the accounting landscape evolves at a rapid pace, the HKICPA Digitalization Forum 2025 represents a strategic initiative to equip professional accountants with the insights to embrace artificial intelligence (AI) effectively. This forum serves as a key platform for insightful discussions on how AI is transforming the accounting profession in Hong Kong.

Participants will engage in a keynote on AI's impact, a panel discussion on practical adoption strategies, and an interactive Q&A session. Topics will cover AI applications in financial reporting, audit efficiency, compliance, and ethical considerations, aligned with HKICPA standards.

By exploring these areas, the forum aims to empower accountants to navigate digital complexities with actionable knowledge, foster innovation, and strengthen the profession's role in a tech-driven future, ultimately boosting efficiency and trustworthiness.

About the speaker cum moderator

Ms. Rita Chan
Partner, Consulting Businesses, Deloitte China

Ms. Chan is a partner at Deloitte Consulting in Hong Kong with 30+ years of experience, she leads the government and public sector (G&PS) for Technology & Transformation Consulting in Hong Kong delivering values and quality engagements to clients by collaborating among multiple disciplinary teams within Deloitte. Ms. Chan also led the formulation of our AI Institute in Hong Kong, driving the way in connecting technological insights with AI-enabled strategies and solutions to help public sector and corporations to excel in social betterment and economic development.

In her professional capacity as a certified public accountant, Ms. Chan leads and drives finance transformation in both strategic and operational perspectives. Being an experienced programme manager for multiple successful technology engagements, Rita has been well received and recognized by clients for her customer-focused trait and well versed in technology transformation in the provision of project management, large scale system implementation, Finance, and IT operational leadership in the Asia Pacific region. Ms. Chan is also well known for her proven capability in seamlessly combining technology, business transformation and financial expertise in delivering and implementing corporate wide business solutions.

Ms. Chan is also a fellow member of ACCA and HKICPA and member of ASCPA. She is actively involved in the development of the CPA profession. Currently Ms. Chan is the Deputy Chairperson in the Professional Development Committee of HKICPA.

About the panelists

Mr. Anthony Kwong
Director of Public Cloud, Huawei Cloud Hong Kong

Mr. Kwong is a distinguished AI and Data Solutions expert with over 10 years of specialized experience in infrastructure and cloud technologies. Based on the vendor side throughout his career, he has successfully designed and delivered innovative solutions for clients across diverse industry sectors.

Mr. Kwong's expertise extends beyond implementation to include strategic solution development, where he plays a pivotal role in shaping his organization's solution portfolio and market approach.

About the panelists (continued)

Mr. Brian Sun
Assistant Commissioner (Data Applications), Digital Policy Office, Hong Kong SAR Government

As the Assistant Commissioner (Data Applications) of the Digital Policy Office, Mr. Sun is responsible for leading major AI initiatives including the pilot of generative AI tools in the Government, the preparation of establishment of the Hong Kong AI Research and Development Institute, managing various central AI platforms as well as guidelines on ethical use and adoption of AI. Besides, he also oversees the provision of "iAM Smart" as a single digital identity of Hong Kong residents for authentication in online transactions and as a single portal for online government services, and implementation of data related initiatives, including data governance principles, the open data policy, and various central data platforms such as the Open Data Portal, Consented Data Exchange Gateway, etc.

Mr. Edmund Yeung
Executive Director and Chief Financial Officer, The Hong Kong & China Gas Company Limited

Mr. Yeung joined The Hong Kong and China Gas Company Limited ("Towngas") in 2023 and was appointed to the Board of Directors in January 2024. As Executive Director and Chief Financial Officer, Mr. Yeung drives the company's financial strategy to advance its mission of delivering innovative and sustainable energy solutions.

With over 35 years of experience in strategic planning, performance optimization, mergers and acquisitions, transaction execution, and corporate finance advisory, Mr. Yeung is dedicated to achieving operational excellence and fostering growth in the dynamic energy sector.

Before joining Towngas, Mr. Yeung held senior roles in Deloitte China's financial advisory division for many years. He served as Vice Chairman of Deloitte China (2021–2023) and National Managing Partner of Financial Advisory (2013–2021), where he developed expertise in navigating complex financial environments and delivering strategic value. He led teams in capital market advisory, fund advisory and corporate restructuring, advising corporate clients and investors in mainland China and Hong Kong on investment projects, acquisitions, and mergers.

A graduate of The Hong Kong Polytechnic University, Mr. Yeung is a Fellow of the Association of Chartered Certified Accountants and the Hong Kong Institute of Certified Public Accountants, an Associate of The Taxation Institute of Hong Kong, and an Ordinary Member of the Hong Kong Securities and Investment Institute.

Mr. Joseph Wong
Director of Information Technology, Hong Kong Polytechnic University

Mr. Wong has over 30 years of IT management and consultancy experience at professional service firms and technology supplier.

At his current role of IT Director at Hong Kong Polytechnic University, Mr. Wong leads various digital transformation initiatives supporting teaching/learning, research and administration activities of university.

Prior to his academic career, Mr. Wong served as a Consulting Partner at Deloitte China. He possesses extensive international experience, having worked for many years in the Chinese Mainland, Canada, and the HKSAR.
