# PAIB Live AMA

(Ask Me Anything)  
你問我答

The Professional Accountants in Business (PAIB) Committee introduced a new event series, “PAIB Live AMA 你問我答” in 2023, which aimed to offer a platform for PAIBs to get together to exchange views on topics of interest to PAIBs. Guest speakers were invited to talk about various subjects in a more relaxed conversational format, such as challenges facing PAIBs, latest developments of a particular sector, and more. Insights they had learned from throughout their career path and stories of success were also topics of interest. The anchormen relayed live questions to the guests throughout the programme for enhanced interaction.

In the first episode, Prof. Calvin Tse, Founder and CEO, Kam Kee Holdings Limited and Institute Council member, shared about his successful story as a young CPA and entrepreneur.
