

Jointly presented by GPSIG & PICIG
**Visit to the Civil Aviation Department:
 Insights into Excellence**
 (Programme code: VIH26051801)

FULL

For more than eight decades, the Civil Aviation Department (CAD) has been the cornerstone of Hong Kong's success as an international aviation hub. Beyond its regulatory role, the CAD ensures a safe, efficient, and sustainable air transportation system, providing critical air navigation services for the flights at the Hong Kong International Airport (HKIA) and in the Hong Kong Flight Information Region.

This exclusive visit offers participants a deep dive into the latest development of the air transport industry, providing insights into the operations of one of the world's largest integrated airport operation and management centres, and experiencing the demonstration of the Aerodrome Control Training that simulates the aerodrome environment of the Three-runway System operations.
