

Accounting and Financial Reporting E-learning: Accounting Hot Topics and Developments for Insurers

COURSE HIGHLIGHTS:

With HKFRS 17 *Insurance Contracts* now fully implemented, insurers continue to refine their approaches to align with market best practices and to provide more useful information to users of their financial statements. Regulators have also been monitoring the application of the standard and have highlighted specific areas of focus for preparers and auditors.

Join our speakers as they share their experience and explore the latest developments in financial reporting for insurers. This e-learning will provide practical insights into the following topics:

- **HKFRS 17 in practice:** Hot topics and recurring application issues.
- **Emerging issues:** IFRS Interpretations Committee agenda decisions and amendments to HKFRS 9 *Financial Instruments* effective in 2026.
- **What's next:** Forthcoming requirements and other developments, including HKFRS 18 *Presentation and Disclosure in Financial Statements*.
