About the topic

While the industry navigates rapid digital transformation and facing an evolving international tax landscape, this special Taxation Faculty discussion and networking event, hosted by Institute's Taxation Faculty Executive Committee (TFEC), will bring together tax professionals for an evening of meaningful exchange, thoughtful dialogue, and forward-looking perspectives on the future of taxation.

We are delighted to welcome the Commissioner of Inland Revenue (CIR), Mr. Benjamin Chan, JP, as our Guest of Honour. The event will also feature two prominent past TFEC chairs, who will share their insights on leveraging Hong Kong's preferential tax regimes, and exploring future trends in the industry, in response to evolving economic conditions and advancements in artificial intelligence (AI).
