

Digitalization Forum 2026

The AI Evolution: From Adoption to Transformation

Programme Code

EWEB26113001 (Webinar)

FCPD26113001 (Face to face)

The AI journey is entering a new era. What began as the adoption of emerging technologies is rapidly evolving into a profound transformation of industries, professions, and the future of work. Organisations that successfully embrace this shift will be better positioned to innovate, adapt, and thrive in an increasingly digital world.

At the Digitalization Forum 2026, industry leaders and innovators will share their insights, strategies, and real-world experiences on leveraging AI to drive meaningful and sustainable transformation. Join us now to explore how organisations can move beyond implementation and harness AI as a catalyst for innovation, growth, and long-term competitive advantage.
