

Companies Ordinance (Cap. 622) in financial reporting – Are you familiar with the requirements?

The *Companies Ordinance (Cap. 622)* has come into effect for almost four years and we still encounter a number of questions over its requirements. This seminar serves to highlight and discuss the application issues of the Ordinance from various perspectives. The speaker will provide an overview of the Ordinance's requirements in financial reporting and preparation of directors' report, and discuss the application issues in commonly seen scenarios and areas requiring more efforts in order to help you plan your year-end reporting.
