

HKICPA e-seminar: Updates on Hong Kong Financial Reporting Standard – HKFRS 16 *Leases* (audio)

The new lease accounting standard, HKFRS 16 *Leases* will be effective for annual periods beginning on or after 1 January 2019. It replaces HKAS 17 *Leases* and related interpretations including HK(IFRIC)-Interpretation 4 *Determining whether an arrangement contains a lease*. This new leasing standard introduced a new model for lease accounting by lessees which will impact the balance sheet, income statement and cash flows of all companies with lease agreements regardless of the industry that the company operates in.

This e-Learning module provides participants with the background, scope and principles under HKFRS 16 *Leases*, and the application of the standard. In this e-learning module you will learn about how to identify whether a contract is within the scope of the standard and the key principles of lease accounting

For preview of the e-seminar, please click [here](#).
