

Anti Money Laundering and Countering-Terrorist Financing: From Practical Perspectives

Programme Code: SCPD18070401

The Anti-Money Laundering and Countering-Terrorist Financing Ordinance came into effect from 1 March 2018. Senior management and finance professionals are encouraged to improve their understanding and assessment of risk control at various levels, as non-compliance with anti-money laundering requirements may cause both significant reputational damage and penalties for organizations.

In this seminar, the speaker will clarify some very common misunderstandings of AML/CTF and suggest anti-money laundering policies and procedures, risk assessment and a range of compliance issues for your establishment so that business organizations are able to respond to the current fast-paced regulatory requirements.
