

Best Corporate Governance Awards series: Current ESG requirements under the listing rules and how companies can improve their ESG reporting

Programme Code: SCPD18082801

About the topic

The ESG (environmental, social and governance) reporting requirements under the listing rules were upgraded for accounting period beginning 1 January 2016. Hong Kong Exchanges and Clearing (HKEX) has recently published an [Analysis of ESG Practice Disclosure in 2016/2017](#). The report indicates, among other things, ways in which listed companies could improve their disclosures. As ESG reporting is still a relatively new area of reporting for Hong Kong, listed companies will benefit from additional guidance and pointers on preparing a credible ESG report. In this seminar, the speaker, vice president in the Listing Department of HKEX, will discuss:

- Overview of current ESG requirements
- Findings of the HKEX report
- How to improve ESG disclosures and reporting
