2018 PAIB CONFERENCE

The Day After Tomorrow: A Reality Check for Accountants Today

About the conference

New technologies. Emerging regulations. Continued globalization of reporting/disclosure standards. All these signify transitions and shifting skillset demands of the finance and accounting profession. How do you ensure you're ready and well-equipped for change?

The annual PAIB Conference will update PAIBs of the key challenges that they are facing and the opportunities ahead in order to help PAIBs remain competitive in today's demanding and rapidly evolving marketplace.

At the conference, we bring you a panel of renowned speakers who will examine professional ethics in business, future of the finance function, as well as development of the capital market.
