2019 PAIB CONFERENCE

Digital & Virtual Banking: tomorrow's banking today?

About the conference

The granting of digital banking licences under the Banking Ordinance (Cap.155) by the Hong Kong Monetary Authority has been considered as a major milestone in strengthening the position of Hong Kong as one of the world's leading international financial centres. The era of digital banking will not only bring a new mindset to the development of the banking industry, but also the customer experience and create new business opportunities.

At the annual PAIB Conference, a panel of renowned speakers will share with you the opportunities and challenges created by the development of digital and virtual banking. Speakers will cover potential costs and benefits, related regulatory and supervisory requirements, data privacy protection guidance and more.

Members are encouraged to send their views on the subject to the Institute in advance via the dedicated event page on [Facebook](#), which will contribute to a more meaningful discussion at the conference.
