Programme Code: ESEMTF202011

## E-stamping for share transfer instruments

### About the topic

On 16 December 2019, the Stamp Office has launched a new electronic service allowing applicants to submit stamping applications of contract notes and instruments of transfer via e-Stamping platform. If the stamp duty payers opt for stamping the instrument via the e-Stamping platform, it is not necessary for them to present the original instruments to the Stamp Office in person.

In this e-seminar, the speaker will cover:

- advantages of e-Stamping of Share Transfer (SSS)
- authentication means
- e-Stamp account
- how to use SSS : 4 scenarios
- other features of SSS
