

Young Members Virtual Conference

Out of the box - options for young accountants

The annual Young Members Conference aims to keep young CPAs abreast of topical issues relevant to the accounting profession and provide knowledge helpful for their career development.

This year, the conference will be held in online format. We have invited a mix of young and seasoned speakers from different fields to share their experience on working outside Hong Kong or in specialisms besides auditing and accounting. Recruitment consultants will also be in attendance to provide tips on career planning and an overview of the current job market.

Join the virtual conference to learn how to advance your career and develop your skill-set.
