HKIPCA's Financial Controllership Programme

The Institute's tailor-made Financial Controllership Programme (**FCP**) offers aspiring financial controllers practical skills to apply in their role. The programme consists of five important modules, taking place over 16 training days over a year. Participants are welcome to join the full programme or single module(s) to pace their learning.

Modules Descriptions

Accounting for Performance and Decision Making (3-day course, January – February 2021)

This module aims to recognize and develop the role of the financial controller in supporting the strategic decision making process through the provision and impactful communication of relevant information drawing on financial and non-financial decision making techniques, key performance measures and insightful reporting.

Management Competency Development (4-day course, February – March 2021, tentative)

This module will challenge you, help you identify your personal strengths and weaknesses and give you practical steps you can take in your present situation to become a better leader and manager. The module will feature best practices, experience sharing, role play and exercises. Sessions will focus on live issues faced by participants.

Strategic Finance (3-day course, April – May 2021)

This module aims to enhance the technical skills and practical knowledge required of a financial controller in strategic finance, including capital planning, bank financing, treasury and risk management, debt capital market and hedging products, fintech, equity capital market and mergers and acquisitions.

Risk Management and Corporate Governance (4-day course, July – August 2021)

This module explores the practical issues of corporate governance and risk management in a company. Through content and case study, participants will be able to gain the understanding and experience to recognize the problems and difficulties of applying the best practice, and judgments and decisions that company leaders and managers will have to make while facing a variety of situations and contexts.

Business Ethics (2-day course, September 2021)

This module will highlight the important role of the financial controller in setting the culture and code of ethics in a business.

Admission and Completion

Members of HKICPA with a minimum 5 years of post-CPA qualification work experience are eligible for admission to the programme. Participants who have successfully completed all five modules will be awarded a certificate by the Hong Kong Institute of Certified Public Accountants.
