# Revisions to the Code to promote the Role and Mindset Expected of Professional Accountants

### COURSE HIGHLIGHTS:

In December 2020, the Institute released *Revisions to the Code<sup>#</sup> to Promote the Role and Mindset Expected of Professional Accountants*. The revisions will be effective on 31 December 2021.

The Institute invites you to a webinar to learn more about the revisions. During the webinar, Caroline Lee, Deputy Chair of the International Ethics Standards Board for Accountants (IESBA), will discuss the revisions which include:

- Highlighting professional accountants' wide-ranging role in society and the relationship between compliance with the Code and a professional accountant's responsibility to act in the public interest
- Enhancing the robustness of the fundamental principles of integrity, objectivity and professional behavior
- Requiring professional accountants to have an inquiring mind when applying the conceptual framework
- Highlighting the importance of being aware of bias and having the right organisational culture

The webinar will also provide an overview of the IESBA's Definitions of Listed Entity and Public Interest Entity Project and proposed revisions so that they remain relevant and fit for purpose.

**This live webinar encourages interactive-learning. A real-time polling and Q&A session will be included during the webinar providing opportunities for participants to explore the topics in more detail and ask questions.**
