Live webinar: IFRS/HKFRS 17 Insurance Contracts – General Insurance

COURSE HIGHLIGHTS:

An IFRS/HKFRS 17 Insurance Contracts webinar session for non-life insurers is available for industry professionals who have acquired an understanding of the basic principles of the new Standard and now wish to develop a working knowledge of the Standard.

This webinar aims to provide participants with a practical knowledge of IFRS/HKFRS 17 for non-life insurers. It will begin with a refresher of the Standard, and walk through with participants how to apply the Standard with illustrative examples over the following specific areas:

- The eligibility assessment for premium allocation approach
- Contract boundary
- Grouping of insurance contracts and level of aggregation
- Reinsurance contracts

This live webinar encourages interactive-learning. A real-time Q&A session will be included during the webinar which provides opportunities for participants to explore the subject in more detail and ask questions.
