Joint RIF-CFIG E-learning webinar: HKEX's Delisting Framework

Event code: EWEB21082701

About the topic

Since 1 August 2018, following changes to Listing Rules, Hong Kong Exchanges and Clearing Limited ("HKEX") has been adopting a more robust delisting policy to facilitate quicker delisting of issuers that no longer meet the continuing listing criteria. The aim is to provide more certainty to the market in relation to the delisting process.

At this webinar, HKEX's vice president, Listed Issuer Regulation, Mr. Joseph Choi, will explain the current delisting framework, the latest guidance on long suspension and delisting of listed companies and the resumption conditions. He will also talk about some of the challenges faced by issuers and insolvency practitioners, and provide practical advice for issuers seeking a resumption of trading.
