

**Financial Services Interest Group  
e-Seminar:**

**Evolution of Electronic Payment in Retail and P2P (archived  
webinar) (Programme Code: ESEMFSIG21111601)**

Technology has revolutionized the various aspects of our lives. With the growing spread of internet-based banking and shopping, we can see the rise of different electronic payment systems and payment processing devices in our daily life. What will be the trends on electronic payment going forward? In this e-seminar, the speaker will share with you:

- The development of electronic payment
- The functions and benefits of different payment solutions in Hong Kong
- The latest trend in P2P payment
