

Entities Listing on HKEX Series (May to June 2022)

The Hong Kong Exchanges and Clearing (HKEX) has ranked top 5 globally in fundraising and over HK\$1,455 billion has been raised by companies over the past five years. As at 31 March 2022, there have been more than 2,500 international, Hong Kong and Mainland companies listed on HKEX with a market capitalisation of around HK\$53,000 billion.

This series of webinars covers preliminary IPO planning considerations, IPO process, ESG report, the continuing obligations of a listed entity with the objective of enhancing participants' understanding of the key aspects for listing, merger and acquisition of listed/ listing entities on HKEX, etc, as well as the financial restructuring of listed companies in distress and amid COVID-19 and the effective measures to deal with the fraud and financial accounting scandals.

Each session will cover the key points of the listing rules, guidance letters, listing decisions, other relevant rules and regulations and examples of published prospectus and circulars. The speakers will also share their practical experience on specific topics and common application issues.
