

## Joint CFGI-FSIG E-learning webinar: Realizing Sustainable Finance Opportunities

Event code: EWEB22081601

This session will explore the strategic implications of environmental and sustainability challenges for financial systems, including capital management, as current financial systems are being rewired due to climate change and sustainability concerns to drive capital for a sustainable future. It will provide an overview of development of new standards, regulations and policies and outline an implementation roadmap that can be adopted.

## Joint CFG-FIG-FSIG E-learning webinar: **Realizing Sustainable Finance Opportunities**

### **ABOUT THE SPEAKERS**

**Dr Calvin Lee Kwan**  
**Director - Sustainability and Risk Governance, Link REIT**

Dr Kwan is Director of Sustainability and Risk Governance at Link Asset Management and an Adjunct Associate Professor at The Hong Kong University of Science and Technology. He is a pioneer in green finance and a co-chair of the Real Estate Advisory Group of the United Nations Principles for Responsible Investment (UNPRI).

Dr Kwan holds a Masters and Doctorate in Environmental Science and Engineering from the University of California, Los Angeles and an EMBA from Kellogg – HKUST School of Management.

**Mohit Grover**  
**Partner, Climate and Sustainability Services, Deloitte China**

Mohit is the lead partner for Climate & Sustainability services in Hong Kong and brings with him over 25 years of professional experience. He specializes in climate change risk, adaptation, resilience and sustainability strategy. He has worked across Asia Pacific region advising clients from different sectors to navigate some of their most pressing climate change and sustainability challenges. He has led the development of their sustainability strategies, carbon management plan, sustainability disclosures, climate risk assessments and organisation capability in sustainability & social impact.

Mohit has been invited to lead policy shaping initiatives in the areas of waste management, green label programmes, sustainable supply chain, and sustainability & social impact strategies. He also represented Deloitte Singapore in ISCA (Institute of Singapore Chartered Accountants) Sustainability committee, driving the awareness & capability building for Sustainability reporting.
