

Accounting and Financial Reporting

E-learning: Hong Kong Risk-Based Capital - Key concepts and comparison with HKFRS 17

Are you looking to enhance your understanding of the regulatory landscape of the insurance industry in Hong Kong? Look no further than this e-learning on the Hong Kong Risk-based Capital (HKRBC) regime - a new approach to capital adequacy and regulatory reporting for the insurance industry in Hong Kong.

This e-learning is designed to provide you with a solid understanding of the basic principles of the HKRBC framework. It is the perfect opportunity for you to gain insights into the three pillars of HKRBC, along with the key concepts for measuring the economic balance sheet and available capital, and the various components of prescribed capital requirements. Additionally, the e-learning includes a comprehensive analysis of the differences and similarities between HKRBC technical provisions and the insurance contract liabilities in HKFRS 17 *Insurance Contracts*.

Don't miss this opportunity to join the e-learning and equip yourself with the knowledge to navigate the new RBC regime in Hong Kong!
