About the programme

The course aims to serve everyone from absolute beginner to experienced player:

Absolute beginner

If you do not know anything about bridge, please inform the Institute. We shall try to form a group for teaching from the basic.

Player with little knowledge in bridge playing

The purpose is trying to explore deeper understanding about the basic technique in the bidding, play and defense. On the other hand we shall try to combine and arrange these players forming a table and playing together.

Experienced player

We urge them to find a bridge friend playing together in order to form a regular partnership. You always need a partner to participate in bridge tournaments. You should have a decision in your mind for improvement as it will enable you to have more discussion and logical analysis with your partner in the bidding and play. You are also encouraged to raise questions to the instructor who will try to give you a solution or perhaps a better way for communication with your partner. If the question has the general interest to the other players, it will be published in the seminar notes for the benefit of the class.

Terms for Enrolment in Sports IG Activities

Any enrolment in the activity is based on the participant's assessment that s/he is fit to participate and the assumption of all the risks and hazards inherent in the said activity.
