

Gear up to showcase your skills, embrace friendly competition, and enjoy a thrilling sports experience

The Hong Kong Institute of Certified Public Accountants and The Society of Chinese Accountants & Auditors are once again co-hosting the **CPA Sports Carnival** this year! The event will be held from 9:00 am to 2:00 pm (tentatively) on **4 May 2024, Saturday** at the Hammer Hill Road Sports Ground, 158 Hammer Hill Road, Diamond Hill, Kowloon.

Our event, themed “**勝會香港 • 活力 CPA**”, aims at providing an occasion for professional accountants to interact through engaging in different sports activities and to share the benefits of exercise. Last year, over 1,000 CPAs and their friends and families took part in competition and fun games for an unforgettable magical day. We expect a similar turn out this year.

The event is now open for enrolment until **15 April 2024**. The Institute is recruiting representatives to join the following races individually or as part of a team:
