PAIB Live AMA

(Ask Me Anything)

你問我答

The Professional Accountants in Business (PAIB) Committee introduced a new event series, “PAIB Live AMA 你問我答” in 2023, which aimed to offer a platform for PAIBs to get together to exchange views on topics of interest to PAIBs. Guest speakers were invited to talk about various subjects in a more relaxed conversational format, such as challenges facing PAIBs, latest developments of a particular sector, and more. Insights they had learned from throughout their career path and stories of success were also topics of interest. The anchormen relayed live questions to the guests throughout the programme for enhanced interaction.

In this episode, Mr. Chris Lau, General Manager – Finance & Procurement, Construction Industry Council, shared about his story as a CPA across diverse commercial sectors throughout his career and his wealth of experience encompasses strategic planning, change management, system implementation and process reengineering.

About the guest

Mr. Chris Lau
General Manager – Finance & Procurement
Construction Industry Council

Mr. Lau is a seasoned accounting professional with a Bachelor Degree in Accounting and Finance from the University of Hong Kong. He holds a Fellow of the Hong Kong Institute of Certified Public Accountants, a Fellow of the Association of Chartered Certified Accountants, and a Chartered Financial Analyst.

With over 20 years of experience in the finance, accounting and auditing field, Mr. Lau has established himself as a highly accomplished professional. Currently serving as the General Manager – Finance and Procurement at the Construction Industry Council, he is responsible for overseeing critical functions such as levy collection, budgeting, reporting and procurement.

Mr. Lau commenced his professional journey in the Assurance and Business Advisory Division of Arthur Andersen. Prior to joining the Construction Industry Council, Mr. Lau held senior leadership positions as Head of Finance or business partner in various multinational corporations across diverse commercial sectors, including FMCG, retail, manufacturing, engineering and construction. In addition to his financial management responsibilities, Mr. Lau was in charge of Information Technology, Human Resources, Logistics, Supply Chain and Legal departments previously. His wealth of experience encompasses strategic planning, change management, system implementation and process reengineering, resulting in numerous successful outcomes throughout his career.
