

Members-Help-Members Sharing Session

The Members-Help-Members (M-H-M) initiative operates under the auspices of the Institute's Small and Medium Practices Committee (SMPC). Its purpose is to offer non-authoritative guidance and provide comments on technical issues that SMPs commonly encounter.

In the upcoming M-H-M sharing session, the speaker will share her insights on the key revisions of HKSA 600 (Revised), *Special Considerations – Audits of Group Financial Statements (Including the Work of Component Auditors)*. The session will specifically highlight the significant changes that SMPs should be mindful of. Attendees can expect to gain a deeper understanding of the updates and their implications for SMPs.
